FACULTY INCHARGE	Srinivas U, Associate Professor
DEPARTMENT	Computer Science
DATE	05/12/2019
VENUE	Andhra Mahavidyalaya school, Chikkadpally
TARGET AUDIENCE	School Students

OBJECTIVE:

To create an awareness on the importance of sustaining healthy ecosystems and human well-being.

BRIEF ABOUT THE EVENT:

The day 5th December is observed annually to highlight the importance of healthy soil and advocate for the sustainable management of soil resources. In this regard World Soil Day is organized with a theme of **Stop Soil Erosion and save our future** in Andhra Mahavidyalaya school . The event began with a brief introduction on the importance of world soil day followed by the distribution of the saplings to the school children and the staff members. The distribution happened in Aurora's degree and Pg college respectively. The school students actively took part in the event and shared their views on the same.

OUTCOME:

Students could understand the importance of soil management and could rectify the disadvantages of soil erosion

They could suggest innovative techniques and methods to conserve soil
