AURORA DEGREE COLLEGE-17/3 COY(HYDERABAD GROUP)

About 17/3 Coy:

17/3 NCC Coy-"Aurora Degree College" happens to be one of the youngest companies of the NCC Group Head quarter, Hyderabad. It also boasts of being the first private college NCC Company in Andhra Pradesh. Established 14 years ago, this company has turned out to be one of the supporting pillars of the Andhra Pradesh NCC Directorate with the care and support from Late Dr. Ravi Paturi, and present Principal Viswanadham Bulusu in the supervision & guidance of Associate NCC Officer-Lieutenant Sk Silar. It can also be taken into consideration that Aurora is the only college which funds all the cadets at various levels of competition in order to support the young hidden talents to groom without any headlock.

At a time where, the representation of even a single cadet matters much to many battalions and groups in the directorate, it is exemplary on part of a single NCC Company to contribute so much in TSC, RDC and other priority activities each year fitting all City, Group, State and National levels.

This drives one to the view that 17/3 COY-Aurora Degree College, is indeed one of the most active and zealous youth force driving our synergy towards a brighter vision and unleashing victories in the path that lies ahead. Promising, a true support at all times and empowering the youth with the ideals of Unity and Discipline, the 17/3 Coy-Aurora Degree College is indeed a force to reckon with!

Starting from NCC establishment the college 17/3 Coy was into a numerous struggle, in order to attain the level of state level competitors. The college NCC was able to come on record track in the year 2002 when few cadets were able to qualify the Inter Group Competitions-RDC (2003). The different levels of competitions and Voluntary Event management by the cadets of Aurora Degree College are as follows
