PLACEMENTS

Annual Report 2014-15

Aurora's Placement Council for the Academic Year 2014-15 was formed in the month of June, with a vision of placing every interested student of the final year in the targeted companies. **Mr. Viswanadham Bulusu** had been the backbone of the council and nurtured the council to its best. The structure of the council was designed by Mr. Viswanadham Bulusu and formed by Ms. Jhansi K. The council was formed with 37 students from various streams of the college. The Council was headed by Mr. Y Sri Krishna Mohan who gave a better form to the committee and conducted the training and orientation to all the students with the assistance of the team. Ms. Jhansi headed the corporate interface to invite various companies to the college.

The council was divided into three teams namely, Learning and Training, Research and Development and Organizing, where the L & T team concentrated in enhancing various skills of the students which would help in building a career. R & D team was assigned the work of doing a research on various companies where as Organizing team held the meetings, drives, and supported the other two teams.

This year the APC(Aurora's Placements Council) started its work by orientation to all the students which gave them the knowledge on how to attempt the Preliminary Rounds of any company interview and also to test their strengths and potential. Apart from the aptitude, students have been rigorously trained on interview etiquettes, JAM & GD by the members of the council. Also orientation sessions have been organized for the students by the faculty and the HR managers to make them competent enough to face an interview.

APC successfully placed more than 230 students in the top listed companies like AMAZON, IBM, WIPRO, HGSEbos, ADP, Genpact, COGNIZANT, Tech Mahindra, Zensar Technologies, Concentrix, Infosys, Sutherland, TCS, United Online, Unisys, Deloitte, People Link, Biocon, Thyrocare, GVK Bio, Wells Fargo etc. with highest package of 5lac p.a.

5-2-1

Annual Report 2015-16

Aurora's Degree & PG College is fully aware of having continuous liaison with corporate house and government undertaking for industrial training and for campus placements for graduates and post graduates. The college has well-equipped and organized placement cell which is in constant touch with the industry and essentially keeps the students informed about the requirements and developments in different industrial sectors regarding the career opportunities available. The Placement Cell of the college comprises of the Placement Coordinator and the Students' Placement Committee, which comprises of students from the first to final year batches.

OBJECTIVES

- To create an atmosphere where students are ambitious about being placed in best positions in top MNCs
- To create an atmosphere where students have clarity about career and thus choose the profession or job that they want to excel rather than taking up a job just like that
- To enable the department and faculty members to educate, train and develop students to gain required competencies needed for the industry
- To keep a constant interface with the industry so as to gain the best opportunities in placements.
