At our discretion, international students may be permitted to register where an acceptable application for leave to remain has been submitted to UKVI but the decision has not yet been confirmed. However, should your application for leave to remain be refused or you otherwise cease to have a legal right to be in the UK that permits study at any time during the period of registration, your registration with the university will be terminated.

At all times while registered at the university, you will be liable to pay the tuition fees applicable to your course of study. Tuition fees will be incurred in line with the amount of time you are registered with the university. Should you leave the course of study at any stage, for any reason, you will be liable for the fees incurred up to that point at a pro-rata rate, in accordance with our tuition fees charging and refund policy. Find out more at: <http://dmu.ac.uk/refundpolicy>

We will not refund fees incurred during the period that you are registered.

This refund policy is subject to change and you should check our website at <http://dmu.ac.uk/tuitionfees> for the most up-to-date information. You have the right to cancel under the Consumer Contracts (information, cancellation and additional charges) Regulations 2013, as amended by The Consumer Contract (Amendment) Regulations 2015. This gives you 14 days from accepting our offer to cancel for any reason. You must inform us of your decision in a clear statement by letter, email or on the telephone.

7. **English Language Learning:** We offer excellent support for English language learning. If you have not yet met the English language requirements for your programme, we offer a range of courses designed to bring you up to the right level. Our dedicated Centre for English Language Learning is accredited by the British Council for the quality of its teaching, so you can be sure you are receiving the highest standard of tuition. Find out more at: <http://dmu.ac.uk/cell>
8. **Accommodation:** We offer a range of high standard accommodation for our students, with around 3,000 rooms across a choice of ten halls of residence, all of which are within easy walking distance of our campus. Find out more at <http://dmu.ac.uk/accommodation>. You can only book your place online after accepting this conditional offer, so if you want to study with us email <mailto:iao@dmu.ac.uk>
9. **Scholarships and Discounts:** Find out more at: <http://dmu.ac.uk/internationalscholarships>
10. **This is a conditional offer, subject to satisfactory verification of your application and documents by our Admissions team. This could include assessment of suitability for the course by the relevant academic Admissions Tutor. We reserve the right to withdraw this offer at any time.**

This offer is also dependent upon you meeting UK immigration requirements to study your chosen course. If you don't, the offer will no longer be considered valid.

What you must do next...

1. You can accept your conditional offer by paying a £3,000 deposit. Visit <http://dmu.ac.uk/fees> for more information about fees and funding. By accepting your place you are agreeing to our regulations, which you can read at: <http://dmu.ac.uk/regulations>
2. **Outstanding documents:** Email your documents to <mailto:iao@dmu.ac.uk> to meet the conditions of this offer. Do not send the original documents in case they get lost. However, we will need to see the originals at registration.
3. **Students under 18 years of age:** In addition to the standard documentation required for all international applicants, before a Confirmation of Acceptance for Studies (CAS) is issued you must provide details of an English-speaking, UK-based guardian and a copy of the letter of parental consent to be used in the visa application. Before travelling to the UK, you must also provide copies of documents for your journey to DMU and details of your accommodation while in the UK. Should we have any welfare concerns or doubts about the legitimacy of the information, a Confirmation of Acceptance for Studies (CAS) will not be issued.
4. **Make a tuition fees pre-payment:** Paying your £3,000 deposit shows us that you intend to study here and helps demonstrate to the visa authorities that you are a committed student. For easy ways to pay visit our website <http://dmu.ac.uk/tuitionfeespayment>
5. **Please remember to quote your student reference number.** Email us at <mailto:income@dmu.ac.uk> if you have any payment queries. You have the right to cancel under the Consumer Contracts (information, cancellation and additional charges) Regulations 2013, as amended by The Consumer Contract (Amendment) Regulations 2015. This allows you a period of 14 days from your acceptance of our offer to cancel for any reason. You must inform us of your decision in a clear statement by letter, email or on the telephone.
6. **Tuition fee payment/Pre-payment refunds:** If circumstances beyond your control prevent you from travelling to the UK to study, you fail your English language test or your visa application is refused for reasons other than maintenance (i.e. financial evidence), we will refund your payment, minus a £50 administration charge.

If you change your mind about coming to study here, you have used your visa to enter the UK or you start the course and then leave, we reserve the right to retain £1,000 of your tuition fee payment.

We also reserve the right to retain £1,000 of your tuition fee payment if you don't join the course because your visa application is refused for not meeting the maintenance requirements under Tier 4 of the points-based system. **Please check very carefully that you meet the financial requirements set out by UK Visas and Immigration (UKVI) before making your visa application.**
