**Report on One Day Workshop on "Business Analytics using R" on 6<sup>th</sup> August 2016 (Saturday)**

The 2<sup>nd</sup> Workshop was organized by the Statistics Department. The workshop on "Business Analytics using R" is conducted across the twin city level (Hyderabad & Secunderabad) to all the academicians, students, Research Scholars. It is designed to familiarize the participants to understand about the Data, Analytics, and R.

The workshop received overwhelmed response with the participants from various colleges/institutions.

**About the College:**

The Aurora Degree and PG College believes in all round development of a student. The development of the learner is directly dependent on the development of the teacher. The college promotes all kinds of academic activities which facilitate the growth of teacher and learner. We take the responsibility of providing support and guidance both to learner and teacher.

**About the Department:**

We are happy to inform the department of statistics has been upgraded recently from UG level to PG level offering the MSc statistics course, which is the first affiliated college under Osmania University to offer statistics. The department is grooming about 500 students at UG level and 70 students at PG level and is also providing research facilities for Research projects for UG and PG levels. In order to share the experiences among the UG teaching fraternity of statistics in twin cities, the department of statistics is planning to hold a workshop on Business Analytics using R.

**Minutes of the Workshop:**

On 6<sup>th</sup> August 2106, i.e. on Saturday, One Day workshop was conducted on Business Analytics on using R was organized by Statistics Department, held at Aurora's Auditorium, Block VI, Aurora's Degree & PG College, Chikkadpally, Hyderabad.
