1. PROGRAM SCHEDULE

One day 12.00 Noon to 1.30 PM

Detail Report on: “Intellectual Property Rights and Patent Filing”

In connection with the college development activities, with the constant support and encouragement of the management and our dynamic principal Dr. Viswanatham Bulusu, The Department of Biochemistry organised FDP a 2-day lecture series on “Intellectual Property Rights and Patent Filing” for the benefit of the Students, Research scholars, Faculty and other Participants from various parts of the country from 22nd May, 2020.

The Session was started by an introduction speech by Dr. S. Ravi kiran, Associate Professor of Biochemistry. Further a brief introduction was given about the speaker by Dr. S. Ravi kiran, Associate Professor of Biochemistry. Following that, the speaker Dr. Pankaj P. Borkar from Dy. Controller of P&D, GL-Mech. IPO Mumbai and Head, RGNIPM, Nagpur started the session. Being an expert in teachers training, Dr. Pankaj P. Borkar has engaged the online attendees in an interactive session. He has focused on Intellectual Property Rights and Patent Filing & how do we need to implement it in our work area. Dr. Pankaj P. Borkar has also highlighted the various steps involved in the process including property rights, about patent and how patent can be registered. etc. He also explained about the different patents. This was also been made as an activity in between the session on this day. Many listeners have come up with a new way to create their own questions based on a wide range of topics and restricted topics.

Finally, this is an informative and interactive meeting by Dr. Pankaj P. Borkar, which has taken the audience into the new world of the patent era.

The session progressed smoothly for more than an hour with more than 470 participants. At the end of the session the speaker interacted with the participants, clarified their doubts with his commendable expertise.

The session was concluded after extending the vote of thanks. Then the feedback form was issued to receive the suggestions from the participants which would help us to assess our session.

5. PARAGRAPH ABOUT THE PROCEEDINGS (TILL THE END OF THE EVENT)

The event was spread across two hours systematically to teach and discuss various steps involved in Intellectual Property Rights and Patent Filing. The speaker Dr. Pankaj P. Borkar had enlightened us about the recent advances that have been done in the field of Intellectual Property Rights with the Patent Filing and also enlightened about the types of patent and in how many we can achieve patents through our daily findings and research. The importance of this in research area was also attached with some interesting real-life implementations. The event was very interactive as well and attendees got to interact with the speaker, in turn gaining more knowledge and getting their doubts clarified. More than 470 participants took part in the event, making it a phenomenal success on both the ends.
