Detailed Report

The Department of Commerce and Management organized a Two-Day National Level FDP on “ART OF WRITING & PUBLISHING RESEARCH PAPER AND APPLICATION OF STATISTICAL TOOLS” The organizer of the event was Dr.Viswanadham Bulusu and the conveners of the event were Mrs. G.Chamundeshwari and Mrs.P.Madhavi Latha. It was an online event with eminent resource persons, Prof Prashanta Athma, Head Dept. of Commerce, OU and Prof.V. Usha Kiran, Department of Commerce, OU, Honorary Director ICSSR – SRC, Hyderabad.

Objectives of the event

1. To motivate the faculty for pursuing research,
2. To help the faculty in understanding the art of writing a research paper and publishing them.
3. To understand the different statistical tools and its applicability

The two days national event was scheduled on 27th and 28th May 2020 from 11.00am to 1.00pm. The sessions were held by using zoom app. On 27/05/2020 Prof. Prashanta Athma, Head Dept. of Commerce, OU gave a talk on “Writing Paper , presenting and publishing in UGC care and Scopus” . The session was introduced by Mrs, Veena Kapoor, Head, Department of commerce at 10;45am and followed by Principal’s address to the participants and gave a brief note on the objective and importance of doing research,after which Mrs Veena Kapoor introduced the resource person Prof. Prashanta Athma as per schedule the session started at 11.00 am sharp. Ma’am explained the meaning of research, procedure and importance of writing a research paper and getting it published in reputed journals like care and scopus. She also explained the procedure to be followed for getting a research paper published. Continuing with the session she also explained in brief about the statistical tools/methods to be followed in research analysis.

The second day 28/05/2020,Prof.V. Usha Kiran, Department of Commerce, OU, Honorary Director, ICSSR-SRC, Hyderabad gave a talk on “Application of statistical tools in Research”.The session link was open for the participants at 10.30 am so that the participants can login and join through zoom app. The session was introduced by Mrs, Veena Kapoor, Head, Department of commerce at 10;45am and followed by Principal’s address to the participants and gave a brief note on the objective and importance of doing research, after which Mrs.Veena Kapoor introduced the resource person Prof. Usha Kiran as per schedule the session started at 11.00 am sharp. She explained inferential and descriptive statistics, how to choose a test for variables and attributes and some commonly used statistical tests in research.

The resource persons were efficient and effective in having an impact on the participants and providing the knowledge and information to the faculty.

Finally the event ended with a lot of thanks. In whole it was memorable, informative and educational for the benefit of the faculty and research scholars. With authenticity it can be said that the faculty were satisfied in conducting such FDP by College.

The department took the feedback about FDP from the participants and most of them appreciated and congratulated us for conducting the FDP successfully. Some of participants requested to conduct such sessions in the future.

We are very grateful to our Principal, Dr. Viswanadham Bulusu and Head, Department of Commerce Mrs. Veena Kapoor for giving us the opportunity to organize the FDP, encouraging and believing in us and extending support. We are also thankful to Mr. Hari Prasad, Vice Principal and Mr. Ravi Kiran, Head, Department of Biochemistry for their technical support

The event was completed successfully. Many had lauded the organizers and the resource person for the wonderful job taken up during this unprecedented time for the educational sector and for its enlightenment.

We shall continue to conduct such programmes in the future.

E Certificates were provided to all the participants.

OUTCOME:

The faculty are inspired and learned about writing research paper and application of statistical tools through FDP.

SUGGESTIONS:

- 1 Registrations should have been stopped after 500 because many couldn't attend session even after registering
2. Feedback link should be kept even after end of the session for 10 minutes as many attended but didn't get certificate as they have not submitted the feedback.
3. Registration link should be kept in the poster itself.
4. Confirmation mail for the registered persons should be sent immediately after Registrations.
5. PPT of the presentation should be sent to all the participants.
