OUTCOME:

The participants have understood the topic and its uses and benefits in present day business environment. As in the beginning of the session speakers shared some of his articles and the ideas behind it, it was encouraging and motivating for the aspirants of research.

SUGGESTIONS:

1. Registrations should have been stopped early because many couldn't attend session even after registering
2. Feedback link should be kept even after end of the session for 15 minutes as many attended but didn't get certificate as they have not submitted the feedback.
3. Registration link should be kept in the poster itself.
4. Confirmation mail for the registered persons should be sent immediately after Registrations.
